Please include your cover letter and resume in an email to [Bahareh@distributedsun.com](mailto:Bahareh@distributedsun.com) with "Finance Internship" in the subject line. Please name your resume files with your last name and the position.

### Company information

Distributed Sun develops, invests in, owns and operates solar energy (photovoltaic) systems across nine US states. The company is growing rapidly with specific focus on making solid investments in the commercial, industrial, and community solar energy segments.

Distributed Sun has a strong internship program that has led to the fulfillment of many full time positions at the company. Distributed Sun aims to create an open environment in which interns and full-time employees can learn and assess the opportunities. Candidates should be available to work 20-40 hours per week for the summer and through the school year, if needed.
